As you can see bowling is relatively inexpensive as compared to most other sports. We have three age divisions bantam, junior and senior. The ages are 6 – 19 as of December 31, 2011 so there is a place for everyone. Bantams are up to 10, Juniors are 11 to 14, and Seniors are 15 to 19. This is a chance for your child to play in a non-aggressive sport and an opportunity for them to excel.
 Bantams are up to 10, Juniors are 11 to 14, and Seniors are 15 to 19

Most people don't realize that YBC is a national program and youth from all provinces have a chance to compete on a National Level. It's a great opportunity to meet new people and have the experience of a lifetime.

Bowling is a very lively growing sport where every child involved plays a key role on the team. Equal participation is the name of the game and No one sits on the bench. Some of the advantages of bowling are:

- improving coordination, balance and motor skills,
- interaction with peers,
- sportsmanship and fair play,
- team dynamics
- setting and accomplishing goals.

Get a friend, take advantage of this awesome offer and choose to join YBC today. You won't regret it.
