No	Description	Recommendation
1	Owen Crossan Regency management would like to have water meters installed and would like adjustment for when apartments have vacancy. It was explained to him that our water rates is \$338.00 sewer is \$110.00 the average across Canada for water consumption is 75gal per day per person.	Recommend we check with Corner brook to see how they charge for properties with water meters.
2	54 High Street drainage	Camera inspection shows sag in line will need to be dug up however it is under the sidewalk so we will be doing weekly checks on line until spring breaks and we can dig it up.

I. Call to Order

The meeting was called to order at 3:30 pm.

II. Old Business

a. Recruiting new committee members

The EDO indicated that he has one businessperson who has expressed an interest in sitting on the committee. There was agreement that a brainstorming session should be held when there are more members present in an attempt to bolster the ranks of the Economic Development committee.

b. Snowmobile event

The Deer Lake Snowmobile Shindig went ahead on Feb. 13 and was a success. There were about 23 participants along with members of the Junction Trailblazers Snowmobile Club, who served as guides. There were many photos taken and all who took part had a good time.

c. Airport Kiosk/Photos

The EDO explained the results of a meeting he held with the CEO of the Deer Lake Regional Airport Authority regarding the town's need to have a higher profile at the airport. The EDO also spoke with the head of provincial tourism information centres, who indicated that their experience with kiosks has not been positive. The EDO will follow up with the airport CEO.

d. Tourism Content for New Web Site

There was a re-cap of the brainstorming session held at the previous meeting to flesh out the tourism content for the new web site. The committee will continue this process at the next meeting with an eye to having most of the items to be covered by the tourism portion of the new web site.

III. New Business

a. Meeting times

It is generally agreed that the current meeting time is not working for some committee members. There was agreement that the meetings need to start earlier than 3:30 pm but not so early in the day as to obstruct some members' work schedules.

IV. Land Issues

None.

V. Other Issues for Discussion

None.

VI. Next Meeting

Wednesday, March 2, 2016, 3:30 pm.

Adjournment

The meeting was adjourned at 4:25 pm.
