Points made during the meeting:

- Three loans were paid off last year
- We are good standing with equipment, shouldn't need any new for a few years
- Money that we usually put in reserve for capital works can go towards payments
- Cost of repairing Nicholsville road would be high plus it would be a month of man power
- We are to contact Engineering Firm to request the inspector we want
- Before any more roads are completed we are to have planning meeting to set priorities
- Road is to follow specific specs determined by the town
