

## **Tender Addendum No. 2**

---

Date: March 1, 2022

Project: Supply and delivery of one (1) new, current production, cab and tandem chassis for snow plow, ice control, and dump truck operations.

To: All Tenderers

This Addendum consists of 7 revisions to a tender for the supply and delivery of one (1) new, current production, cab and tandem chassis for snow plow, ice control, and dump truck operations.

Please confirm you have received this Addendum by emailing David Thomas at [dlpublicworks@nf.aibn.com](mailto:dlpublicworks@nf.aibn.com).

Please make the following changes/additions to the Bid Documents.

### Equipment Specifications

Line 121 - Remove BER1339 and insert BER1439.

Line 166 - A standard Parker motor will be considered an approved equal.

Line 208 - To state "Hydraulic oil reservoir capacity to be a minimum 170 liters.

Line 319 - Main wire harness for body lamps shall be Grote Ultra Blue (or equivalent).

Line 326 - Spreader body with an inside length of 14'.

In reference to spreader controls, hydraulic tank, valve and valve cabinet alternatives such as the hydraulic tank and valve cabinet assembly will be considered.
