Welcome to Deer Lake, the Snowmobile Hub of Newfoundland! We have worked hard with the Junction Trailblazers Snowmobile Club to build Deer Lake into a friendly, receptive centre for snowmobilers from all over. These maps highlight the groomed trail through town and directs you to amenities such as restaurants, hotels, gas stations, repair shops and staging areas with ramps where you can load or offload your snowmobile and park your vehicle. We have also updated signage and provided additional information at some of the places you may stop during your stay in Deer Lake.

Enjoy your time in the Snowmobile Hub of Newfoundland!
