### **Parks & Recreation Committee**

May 27, 2019

#### **In Attendance:**

Chair- Kerry Jones  
Glynn Wiseman

#### **Stadium**

- Gracia Gymnastic end of season gymnastics show June 12.
- High school graduation will be in the arena on June 26<sup>th</sup>
- The Circus will be in the Arena on June 27<sup>th</sup>
- We have received changes to OSH regulation regarding arenas and will now have a CO monitoring system installed in the arena as well an exhaust fan in the Zamboni room. Staff will now wear personal CO monitors while operating the Zamboni. There other changes that we have undertaken as well with regards to the regulations.
- Attached is a cost savings analyst for energy at the recreation complex after the LED lighting is installed this summer.
- I was speaking with Dave Thomas about removing a concrete retaining wall. This wall is next to the stairs going up to Main Street by the arena. The wall is leaning and the concrete has deteriorated away from the supports holding it. Dave feels we will need a larger excavator than we have to remove it. I will get a quote on contracting it out verses hiring an excavator and will see what is more feasible.

#### **Parks and Playgrounds:**

- Main Street and the grassy banks around the recreation complex have been cleared of sand, rocks and debris from winter snow clearing.
- The staff have installed the forms for the outdoor theater extension
- The fertilizer has now come in for the soccer fields. We will be aerating and fertilizing ASAP so that we can be ready to paint the lines on the soccer field as soon as the paint arrives.

- The nets at the tennis court are up.
- The parks and Playground staff have completed some small repairs and have handed over Deer Lake Park to the new operator.
- Interviews have been done for the student positions for community improvements and summer activities camp.

#### **Bowling Alley:**

- All Leagues have finished for the season.
- The bowling Alley will change to summer hours on June 21.

#### **Swimming Pool:**

- Fall swimming lessons are in there final weeks. The registration for the next block of lessons will be online on June 11. We are offering 3 separate 2 week blocks of lessons as in the past. We are also offering 5 Pre lifeguarding courses as well as a Red Cross Water Safety Instructor Course (Swimming Instructor Course).
- Staff recertification will also take place in June.

#### **Other:**

- In 2018 we had brooks contractors give an estimate on repairing leaks we have in the arena zamboni roof and leaks between the arena and the rest of the recreation complex. Brooks came back with a price of \$44000.00 mainly just to fix the Zamboni roof. Council wanted to have an engineer come in and look at the arena roof to alleviate heat loss/ ice buildup as well as the existing leaks between the two halves of the Hodder. This should be done during the summer season.
- Amanda Freak has asked the Recreation committee to look at offering a Rec hockey slot for younger children who do not play minor hockey. I will speak with the new minor hockey president to see if this is something that minor hockey could build into their existing schedule.
- I was asked to get pricing on a new digital sign. I have quotes on 2 different options attached.  
For sizing comparisons, the sign that we originally had was 2' 9" x 7' 11".  
The sign that Ray Brake has is 6' 9" x 10' 4"
- Lucas Hoyles has put in a leave request. He has a work term he has to complete and will need to be gone from the swimming pool from May 31 to Sept 31, 2019

**Parks & Recreation Committee**

June 3 and 11, 2019

**In Attendance:**

Chair- Kerry Jones  
Glynn Wiseman  
Gordon Hancock

**Stadium**

- The stadium workers will attempt to repair the Zamboni roof rather than replace it completely. The areas where the leaks occur are known to them and it would be more cost effective and take a shorter amount of time to try and repair instead of replace the roof.
- The Recreation committee recommends new moneys to be made available by the finance committee to purchase and install a second basketball pole, net and backboard as well as a bollard barrier to protect the pole from being struck by cars in the Parking lot. These poles will be removable for snow clearing. The amount of funding needed would be \$2500.00

**Parks and Playgrounds:**

- Beach Clean-up / Log Removal will begin as soon as the water level drops. We have a contractor in place to begin clean-up when the water level resides. The docks at the boat launch will go in after the water level drops as well.
- The soccer fields are ready for soccer season. They are fertilized, aerated and the lines are painted. The first home game of the men's senior hockey season takes place this Sunday June 16, 2019.
