Parks & Recreation Committee

June 18, 2020

In Attendance:

Operations Supervisor - Glynn Wiseman
Councillor - Gordon Hancock
Councillor - Amanda Freake
Town Manager – Maxine Hayden

Stadium Update

Stadium Floor Update

- Poly More Canada will be here first week in July to preform the lift on the arena floor.

New Dressing Room

- Has been boxed in and work will continue on this room on days that we cannot work outside because of weather

Roof Repair

- Roof repair will begin this week

Main Street Tree Lights

- All of the equipment is on site to start the tree lighting project along Main Street. Newfoundland Power has issued the permit and Curtis Power Works will be installing the pole by the end of next week. After the pole is installed, we will begin to trench to bring power to each tree.

Commerce Street Beautification

- Sean Dolter from the Green House is doing up a quote for the commerce street concept plan including lamp post and existing trees as well as keeping the small picnic area.

Beach Clean up

- Rodney's Contracting will be starting the beach clean up next week. He will advise the Town of the start date so that we can inform the public to stay away from the clean up areas

Joe Butts Washrooms

- Door openers are going to be installed on the new washrooms at Joe Butts to prepare for the opening of the washrooms

Boat Launch

- Recreation will have the dock section completely installed this week

Main Street Playground / Bennett Avenue Playground

- The new swing set has been installed. In Preparation for opening in July recreation staff will be creating the safety zones around all the play structures.
- Once we reach level 2 we will only be opening these 2 major playgrounds. The other 2 will remain closed. The is so that we can concentrate on the cleaning that is required of us during covid.

Park Areas

- In preparation for opening of park areas the recreation staff has installed the basketball court equipment, painted the lines on the soccer field and ball field. Western signs are printing covid signage and we have metal sanitizer dispensers on order to arrive next week.
- 2 new light poles were installed at the rear of the soccer field because the 2 we had installed years ago had rotted off.
- Recreation will install the back net for the soccer field and the softball field next week.
- The electrician is in the process of installing the security cameras at Schwarts park, the boat launch and the Hodder parking lot.

Swimming Pool Update

Pool Expansion Joint

- The new expansion has been installed and the pool is being refilled now.

Reopening

- 1 Pool staff will have to be brought back next week to help get the pool water and facilities ready for the opening of the pool.
- Pool staff will be brought back after the water is ready for recertification training
- Recreation staff is construction a ramp at the end of the pool hallway as a exit so that we abide by all the new regulations.

Seasonal Workers

- The internal posting has been made for the seasonal worker for the recreation department. If no one takes the internal posting we will advertise.

Other

- Recreation staff will be repainting the lines at the Tennis court but not right away. The court is usable now. The grass clean-up is taking place today.

- Basketball court barricades will have new fence boards added to the top section for aesthetes and to be more uniform.
- To make the trails more user friendly we have encouraged more trail monitoring to keep some user from driving recklessly or high speeds.
