

Deer Lake Parks & Recreation

WELCOME

Town of Deer Lake

The Town of Deer Lake is located at the intersection of the Trans-Canada Highway and the Viking Trail on Newfoundland and Labrador's west coast. Deer Lake is a Gateway community which provides access to the Northern Peninsula and Labrador, home to three UNESCO World Heritage Sites. Deer Lake is also the Gateway to eastern and western Newfoundland and is the Snowmobile Hub of Newfoundland.

With a growing population Deer Lake is quickly becoming a popular place to live and visit on the West Coast of Newfoundland. An airport community nestled in amongst beautiful fresh water sandy shorelines, Deer Lake is home to a population of approximately 5,500 residents. With a booming population Deer Lake is currently experiencing substantial and sustainable growth in all fields.

Recreation in Deer Lake

Deer Lake is home to many recreational opportunities and facilities. Our Humber River trail system will take you for a stroll around Deer Lake with beautiful scenery of the Humber at each stop. The trail system, fully equipped with rest stops and washroom facilities, will carry you all the way from the Deer Lake Airport, past the Viking Trail, right along the Deer Lake Beach. Deer Lake Beach is a 2 km long sandy fresh water beach in the heart of the town. Our beach is maintained by the Town of Deer Lake and groomed regularly with beach cleaning equipment. “Joe Butt’s Look Out” is fully wheelchair and stroller accessible with our latest installation of our “Water’s Edge” mobi mats. In the summer the beach is also equipped with washroom facilities, foot rinsing stations, a snack kiosk, beach volley ball courts, and water at perfect depths for swimming with your family on hot days!

Not far from the Deer Lake beach you will find Schwartz Park. This park includes a soccer field, baseball field, playground, dog park, and a skate park. Throughout the community you will find a tennis court, as well as 3 other fully equipped playgrounds within walking distance of residential areas. Just off of Nicholville Bridge you will also find a small boat launch, with a new larger boat launch set to open in 2021. Deer Lake is also ATV friendly with designated routes and multi purpose trails for quadding and snowmobile fun all year around!

Deer Lake is home to 2 RV parks! Deer Lake RV Park takes advantage our sandy shorelines and is situated on the mouth of the Humber River in the middle of town. Gateway to the North RV Park is centrally located where the Viking Trail meets the TCH, and has great access to the Newfoundland Insectarium. Just outside town on route to the Deer Lake Regional Airport, you will also find the Humber River Golf course. This is a 9-hole gem that offers golfers of all levels a golfing experience amidst a tranquil and lush rural landscape.

Spirit is also high in Deer Lake with seasonal festivals such as the annual Strawberry Festival in July, as well as the annual Winterfest in February. The award-winning “Deer Lake Live” events encompass community essence and bring residents in the community together to celebrate Deer Lake throughout the year.

HODDER MEMORIAL REC COMPLEX

Hodder Memorial Recreation Complex

The Hodder Memorial Recreation Complex is nestled in the center of Deer Lake on Crescent Street, making it just a brief walk or commute away from local schools, businesses, and residential areas. The complex houses an indoor ice-skating rink, a swimming pool, and a bowling alley. In the coming years a new Annex will be built adjoining the Hodder, with plans for an indoor gymnasium, walking track, and conference space.

The arena has one regulation size ice surface (85 X 185) and seats over 1000 people. Deer Lake has a large minor hockey association as well a figure skating club. The arena offers male and female recreational hockey leagues, senior hockey, ice rentals, as well as family, senior, and preschool skates. Off season the arena hosts ball hockey, summer sports, an agricultural fair, graduation ceremonies, and many other events.

Our swimming pool is a 25-meter 6 lane speed pool. We have a hot tub, 1 m diving board, as well as a children's wading pool. We offer Red Cross swimming lessons and Lifesaving Society programs, pool rentals, Deer Lake Dolphins swim team, aqua fitness classes, as well as numerous open, family, and senior swims.

Lastly, our bowling alley "Humber River Lanes" is a 6 lane 5 pin alley equipped with a large screen tv for sports viewing, and bar service after 9pm. From week night league bowling and YBC kids bowling, to open or glow bowling, Humber River Lanes is a great place to visit for some family fun!
