### Notice: For All Permit Applications

All new construction, renovations, extensions, etc. are subject to supplementary property assessments and taxation. These assessments are often not available until late in the year but are effective from the date of occupancy. The applicant should therefore be aware of and budget for the additional tax.

Applicants are also reminded that they are responsible for the cost of replacing asphalt that may have to be cut to provide water and sewer services to their property.

An application for Water/Sewer Connection must be filled out for any New Construction that will need to be hooked onto Town Water/Sewer.

If a culvert is required for driveway, Property Owner will be responsible for purchasing, but the Town of Deer Lake will be responsible for install.

### STIPULATION:

When footings have been framed, but before pouring, contact the Town Office (635-2451) so that the site can be inspected to confirm that the building size complies with the Town regulations.

**PERMIT FEE MUST BE PAID UPON RECEIPT OF PERMIT.**

### PERMIT RATES:

Rates vary depending on the square footage of the building. Please inquire when picking up the permit at the town office - 34 Reid's Lane or call (635-2451)

### EXPIRY & RENEWAL

This permit is valid for 1 year from the date it is issued. It can be renewed should construction not be completed within the year.
