

MUNICIPAL PROPERTY TAX EXEMPTION APPLICATION FOR 2024

To Qualify:

- Must have a total annual income from the prior year (2023) of 18,500 or less (please see sliding scale below).
- Application must be for primary residential property only
- A copy of the previous year's tax return notice of assessment for all household members – which would include both property owners (husband, wife or Common-Law partners), must accompany this application.
- Deadline for receipt of applications is **August 1st, 2024**

NOTE: This exemption applies **ONLY** to the current property tax. Any property owner with tax arrears will not be eligible for this discount unless they make a minimum payment of \$200 per year towards the tax arrears.

If approved, exemption will not be applied to the account until the Payment for the taxes owed is paid in full. **The exemption does not include Tipping fees, this fee (\$165) must be paid.**

Council reserves the right to approve applications on an individual basis and may not necessarily decline those who only meet one criteria.
