**DEER LAKE AIRPORT**

Deer Lake Council has received a request from the Deer Lake Regional Airport Authority to amend the Deer Lake Municipal Plan and Development Regulations to allow for a broader range of commercial development on airport property. This will create opportunities for the Airport Authority to diversify its revenues, better support airport operations, and strengthen its competitive advantage within the air service industry.

The proposed amendment will add commercial accommodation, outdoor market, recreational open space, service station, takeout food service, and vehicle sales and services as Permitted Uses in the Airport zone.

The proposed amendments are available for viewing at the Town Office and on our website ([www.deerlake.ca](http://www.deerlake.ca)). Objections or other comments may be submitted in writing to Council by 3:00 PM, Friday, September 5, 2025.
