2. (1) The Town Manager is hereby authorized to mark out and designate by suitable lines or markings, separate parking meter spaces within the Parking Meter Zones designated in these regulations and to cause to be installed adjacent to each such parking meter space a parking meter of a type approved by the Council.

(2) Where the Town Manager or a police officer is of the opinion that the use of any parking meter space or spaces should be temporarily discontinued he may place or erect or cause to be placed or erected a sign or signs indicating "no parking" at such

meter space or spaces and it shall be unlawful for any person to park a vehicle at such meter space or spaces while such signs are so placed or erected.

3. (1) No person shall park any vehicle in a parking meter space

(a) Between the hours of 9:00 A.M. and 6:30 P.M. on day from Tuesday to Saturday inclusive in any week: or

(b) Between the hours of 6:00 P.M. and 9:30 P.M. on any Friday: or

(c) Between the hours of 6:00 P.M. and 9:30 P.M. on any day on which the business establishments generally are open for business after 6:00 P.M.

unless before or immediately after parking, the timing mechanism of the parking meter is set into operation by the deposit of a coin or coins in an amount of not less than five cents for each thirty minutes of parking.

(2) No person shall park any vehicle in a parking meter zone between the hours prescribed in Paragraph (1) of this regulations for a period in excess of one hour.

(3) The provisions of this regulation shall not apply on any day or part thereof designated by the Council as being a day or part thereof on which the provisions of this section are not applicable.

4. (1) No person shall allow a vehicle to remain parked in any parking meter space for a period longer than that for which payment has been made in the form of coins deposited in the parking meter adjacent to such parking meter space.

(2) No person shall permit a vehicle to remain in a parking meter space while the signal "violation" or "expired" is in view on such parking meter.

(3) If a vehicle is parked illegally, any police constable or other duly authorized person may take such vehicle or cause same to be taken to and stand in a suitable place,

and all costs and charges for removal, care or storage thereof shall constitute a lien upon such vehicle.

5. It shall be unlawfull for the owner or operator to park or cause to be parked in any parking meter space a motor vehicle forming part of the stock-in-trade of any company or person who is a dealer therein.

6. No person shall park a vehicle in a parking meter space unless the front or rear of such vehicle as appropriate is alongside or as close as is practicable to the parking meter provided for such space, except that this regulation shall not apply to commercial vehicles when loading or unloading.

7. No person shall park any vehicle in such a manner that it is not wholly within an area designated or marked under these regulations as a parking meter space and, if a vehicle is of such length as to prevent it from being parked within one parking meter space, then the person parking such vehicle shall make the necessary deposit of coins as required by the regulations in the parking meter for each of the adjoining parking meter spaces occupied in whole or in part by such vehicle as if such person had parked two vehicles in such adjoining parking meter spaces.

8. Any parking-meter space may be used without change or payment under these regulations.

(1) By vehicles licensed as taxicabs when taking on or discharging passengers provided that no such vehicle shall remain in a parking meter space for a period in excess of three minutes without complying with the provisions of Regulation 3 of these regulations.
