

TOWN OF DEER LAKE

ELECTRICIAN

Temporary Full-Time | One-Year Term

STATUS	TERM	LOCATION
Temporary full-time	One year	Deer Lake, NL

The Town of Deer Lake is seeking a qualified Electrician for a temporary one-year appointment to provide skilled electrical services for municipal buildings, infrastructure, equipment and operations.

The successful candidate will work with a high degree of independence, using sound judgment to install, inspect, test, troubleshoot, maintain and repair municipal electrical systems in accordance with applicable codes and safe work practices.

Key Responsibilities

- Read and interpret drawings, circuit diagrams and electrical code specifications.
- Install, replace, test and repair wiring, lighting fixtures, control devices, switches, relays, panels and related equipment.
- Troubleshoot electrical and electronic systems, isolate faults and replace defective components.
- Connect electrical power to communication, signalling, heating and cooling systems, as required.
- Conduct preventive maintenance programs and maintain accurate service records.
- Assist with general municipal maintenance and emergency operational work when assigned, including water, sewer, roads, drainage and related services.

Qualifications

- High school completion and completion of an approved electrician apprenticeship program, or an equivalent combination of training and experience.
- Journeyman certificate as an Industrial Electrician issued by the Province of Newfoundland and Labrador.
- Valid Class 5 driver's licence.
- Strong knowledge of electrical codes, tools, materials, methods, occupational hazards and safety precautions.
- Ability to interpret drawings and blueprints, locate defects and work safely in adverse weather conditions.

How to Apply

Please submit a cover letter and résumé, quoting "Temporary Electrician," by September 18, 2026 to:
